RECOMMENDATIONS

JUVENILE: T [REDACTED] F [REDACTED]

J.V. #160 of 2017
of 2018

Juvenile Court Services respectfully makes the following recommendations on behalf of the above named juvenile:

T [REDACTED] continue to be detained at Keystone Education Center in shelter care and in the custody of Butler County Juvenile Court Services.

This is the least restrictive placement that is consistent with the protection of the public and best suited to the juvenile's treatment, supervision and welfare in that this juvenile is a danger to others in that he has two pending sexual assault cases.

A 10-day adjudication/consent decree revocation hearing is to be scheduled for April 18, 2018, at 2:30 p.m. before Judge Tim McCune in Courtroom One, Butler County Courthouse.

X Reasonable efforts were made to prevent or eliminate the need for removal of the Juvenile from the home.

OR

Services were not offered in an effort to prevent the removal of this child from the home, this level of effort was reasonable due to the emergency nature of the situation, safety considerations and circumstances of the family.

There are no concerns or issues regarding the juvenile's education, health or other disabilities.

Case is eligible pursuant to 42PA.C.S. §6307(b)(1)(i) for limited public information. (Felony only)

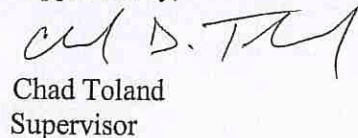

Without preventative services, the child is at IMMINENT RISK of removal from his or her home and absent effective preventative services, foster care* is the planned placement for the child.

*(Foster Care can be defined as Foster Home, Group Home, Shelter, Residential Facility, R.T.F., Child-Care Institution)
